

HONORABLE BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee requests the adoption of "AN ACT for the purposes of establishing a standard work day for each elective or appointive office or position."

To help ensure that elected and appointed officials receive appropriate service credit from the New York State Retirement System, legislation establishing the standard work days for all elected and appointed officials who serve a term of office must be adopted at the first regular meeting held after the first 180 days of taking office, which in this case, is at the July 16, 2018 meeting of the County Board of Legislators.

Once adopted, the Clerk of the County Board of Legislators must ensure that this Act is posted for at least thirty (30) days on the County's website. After such posting, the County Board of Legislators hereby authorizes the Commissioner of Human Resources or other appropriate County official to amend the chart solely for the limited purpose of providing the correct New York State Retirement Registration Number and the last four digits of the Social Security Numbers for all of the elected and appointed officials specifically listed in the chart contained in the Act. Thereafter, an affidavit of posting and a certified copy of the legislation must be filed with the Office of the State Comptroller within forty-five (45) days of adoption.

Because the proposed Act will not change "the use, appearance or condition of any natural resource of structure" or otherwise affect the environment with respect to the State Environmental Quality Review Act, this would not constitute an action as defined in section 617.2(b) of 6 N.Y.C.R.R. Part 617. As such your Committee believes that no further environmental review is required.

In accordance with the provisions of the Laws of Westchester County §107.61(2), a vote of not less than a majority of the voting strength of the County Board of Legislators is required to pass this Act.

In light of the aforementioned, this Committee, after careful consideration, recommends
adoption of this Act.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR STANDARD WORK
DAY ACT**

Pursuant to your request for an environmental review of the above referenced action, the Planning Department has determined that no environmental review is necessary.

The action involves the adoption of an Act establishing a standard work day for certain elected and appointed officials named in the act to help ensure that they receive appropriate credit from the New York State Retirement System.

Since the proposed action does not “change the use, appearance or condition of any natural resource or structure,” or otherwise affect the environment, with respect to the State Environmental Quality Review (SEQR) Act, the proposed law does not constitute an action as defined in section 617.2(b) of 6NYCRR Part 617. As such, no environmental review is required.

Please contact me if you need any additional information on this matter.
