

TO: HONORABLE BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee has reviewed “A LOCAL LAW amending Chapter 580 of the Laws of Westchester County in order to enhance the protections provided by the Displaced Service Employees Protection Law.”

Your Committee is aware that the Displaced Service Employees Protection Law protects service workers who, if displaced, would find it difficult to find other employment. This amendment strengthens the existing protections by lowering the threshold for covered contractors from 15 to 5 employees, thus increasing the number of employees protected. It further places the burden of proof on employers to demonstrate their number of employees. The period for which displaced workers must be retained is extended from 60 to 90 days, bringing the Displaced Service Employees Protection Law in line with municipalities such as New York City, Baltimore, the District of Columbia, Los Angeles, Philadelphia, and San Francisco.

Your Committee notes that this amendment also strengthens the Displaced Service Employees Protection Law by giving employees an additional 5 days to respond to employment offers and preventing employers from reducing hours to circumvent the law. Because of issues surrounding the clarity of written offers of employment, a standard offer of employment form is now required to be provided to displaced workers.

Your Committee further notes that this amendment ensures that employees and their collective bargaining representatives are made aware of transfers in the ownership of property in

which they work. Successor employers will be provided with the name and contact information of their employee's collective bargaining representative. Terminated contractors will also be required to provide the name and contact information of the employee's collective bargaining representative to the successor employer. Moreover, posting requirements have been updated to facilitate the flow of information to employees and their collective bargaining representatives. In addition, successor employers will be required to make reasonable efforts to ascertain the number of affected service employees.

Finally, your Committee is advised that this amendment removes the provision that had granted a prevailing defendant attorney's fees as this provision had discouraged litigation by employees fearful of having to pay for their employer's high-priced attorneys. Instead, to encourage employees to bring suit for wages that have been unlawfully withheld according to this amendment, they will now be able to recover liquidated damages in addition to back wages and may seek reinstatement.

Your Committee notes that this amendment will promote the well-being of a substantial workforce population within the County. Your Committee therefore recommends these amendments to the Laws of Westchester County as provided in the attached Local Law.

As you know, this Honorable Board must comply with the requirements of the State Environmental Quality Review Act ("SEQRA") and its implementing regulations, 6 NYCRR Part 617. The Department of Planning has reviewed the applicable SEQRA regulations, and has concluded that since this proposed local law does not constitute an action as defined in section

617.2(b) of 6 NYCRR Part 617. As such, no further environmental review is required. Your Committee has reviewed the annexed SEQRA Status Sheet and concurs with this conclusion.

Your Committee, after careful consideration, recommends the adoption of this Local Law.

 - (ii) Retains service employees by seniority within each job classification;

(3) In an action against a successor employer, if the court finds that by reason of a violation of any obligation imposed under Section 580.02, a service employee has been discharged or not retained in violation of this Chapter, it shall award:

(a) Back pay for each day during which the violation continues, which shall be calculated at a rate of compensation not less than the higher of:

(i) The average regular rate of pay received by the employee during the last three years of the employee's employment in the same occupation classification; or

(ii) The final regular rate received by the employee; and

(b) Costs of benefits the successor employer would have incurred for the employee under the successor employer's benefit plan(s); and

(c) An amount equal to back pay as liquidated damages, for each day during which the violation continues; and

(5) In any action brought under this Chapter, the Court shall allow the prevailing plaintiff a reasonable attorneys' fee as part of the costs unless special circumstances would render such an award unjust. [In addition, the Court may allow a prevailing defendant to recover attorneys' fees as part of costs upon a finding that the plaintiff's action was frivolous, unreasonable, groundless or brought in bad faith.]
