Westchester County Board of Legislators  
800 Michaelian Office Building  
White Plains, New York 10601

Dear Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act (the "Bond Act") which, if adopted by your Honorable Board, would authorize the County of Westchester (the "County") to issue up to One Million (\$1,000,000) Dollars in bonds of the County to finance a component of the following capital project:

**SBB85 – Sewer System Rehabilitation – Blind Brook SSD ("SBB85").**

The Bond Act, in the amount of One Million (\$1,000,000) Dollars, will fund the cost of construction associated with the rehabilitation of County-owned sewer lines and manholes in the Blind Brook Sanitary Sewer District, as required under the U.S. Environmental Protection Agency's ("EPA") Capacity Assurance, Management, Operation and Maintenance ("CMOM") program. Work will include investigation, cleaning, repair, root removal, and relining of the sewer lines. The Department of Environmental Facilities ("Department") has advised that maintenance of the County's sewers, and the adoption of a CMOM program to do so, is required by the EPA.

It should be noted that your Honorable Board has previously authorized the County to issue bonds to finance prior separable components of this project as follows: Bond Act No. 139-2008 in the amount of Three Hundred Thousand (\$300,000) Dollars which financed construction of Phase I repairs; Bond Act No. 57-2013 in the amount of Seven Hundred Thousand (\$700,000) Dollars which financed additional rehabilitation of sewer lines and manholes; and Bond Act No. 131-2015 in the amount of Three Million Two Hundred Thousand (\$3,200,000) Dollars, which, in addition to financing rehabilitation of sewer lines and manholes, also funded the cost of relocating an aging twelve-inch trunk sewer that ran under the floor of the Children's Museum at the County-owned Playland Amusement Park in Rye.

The Commissioner of the Department has advised that design is currently underway using consultants and is expected to be completed by the first Quarter of 2020. Construction is estimated to take 12 months and shall begin after award and execution of construction contracts.

The Planning Department has advised that based on its review, this project has been classified as a "Type II" action pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required with regard to this component of the project. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

As this project is in the best interests of the County, I most respectfully recommend approval of the attached legislation.

Sincerely,

George Latimer  
County Executive

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending that the County of Westchester (the "County") approve a bond act (the "Bond Act") in the amount of \$1,000,000 to finance a component capital project SBB85 – Sewer System Rehabilitation – Blind Brook SSD.

Your Committee is advised that the Bond Act, which was prepared by the law firm of Norton Rose Fulbright US LLP, will fund the cost of construction associated with the rehabilitation of County-owned sewer lines and manholes in the Blind Brook Sanitary Sewer District, as required under the U.S. Environmental Protection Agency's ("EPA") Capacity Assurance, Management, Operation and Maintenance ("CMOM") program. Work will include investigation, cleaning, repair, root removal, and relining of the sewer lines. The Department of Environmental Facilities ("Department") has advised that maintenance of the County's sewers, and the adoption of a CMOM program to do so, is required by the EPA.

It should be noted that this Honorable Board has previously authorized the County to issue bonds to finance prior separable components of this project as follows: Bond Act No. 139-2008 in the amount of \$300,000 which financed construction of Phase I repairs; Bond Act No. 57-2013 in the amount of \$700,000 which financed additional rehabilitation of sewer lines and manholes; and Bond Act No. 131-2015 in the amount of \$3,200,000 which, in addition to financing rehabilitation of sewer lines and manholes, also funded the cost of relocating an aging twelve-inch trunk sewer that ran under the floor of the Children's Museum at the County-owned Playland Amusement Park in Rye.

The Commissioner of the Department has advised that design is currently underway using consultants and is expected to be completed by the first Quarter of 2020. Construction is estimated to take 12 months and shall begin after award and execution of construction contracts.

The Planning Department has advised that, based on its review, this project has been classified as a "Type II" action under the State Environmental Quality Review Act ("SEQRA"),

and its implementing regulations, 6 NYCRR Part 617, which is an action determined not to have a significant effect on the environment and therefore does not require further environmental review. Your Committee has reviewed the annexed SEQRA documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.

BOND ACT DATED \_\_\_\_\_, 2019.

A BOND ACT AUTHORIZING THE ISSUANCE OF \$1,000,000 BONDS OF THE COUNTY OF WESTCHESTER, NEW YORK, TO PAY THE DESIGN, CONSTRUCTION MANAGEMENT AND CONSTRUCTION OR RECONSTRUCTION COSTS FOR THE INVESTIGATION, REPAIR, ROOT REMOVAL AND RELINING OF VARIOUS SANITARY SEWER LINES AND MANHOLES IN AND FOR THE COUNTY'S BLIND BROOK SANITARY SEWER DISTRICT.

WHEREAS, all conditions precedent to the financing of the capital project hereinafter described, including compliance with the provisions of the State Environmental Quality Review Act to the extent required, have been performed; and

WHEREAS, it is now desired to authorize the financing of such capital project; NOW, THEREFORE,

BE IT ENACTED, by the Board of Legislators of the County of Westchester, New York, by the affirmative vote of not less than two thirds of the entire voting strength thereof, as follows:

For the class of objects or purposes of paying the design, construction management and construction or reconstruction costs for the investigation, repair, root removal and relining of various sanitary sewer lines and manholes in and for the County's Blind Brook Sanitary Sewer District, as described in the Sanitary Sewer Evaluation Survey, including incidental expenses in connection therewith, there are hereby authorized to be issued \$1,000,000 bonds of said County pursuant to the provisions of the Local Finance Law. To the extent that the details of the aforesaid class of objects or purposes set forth in this act are inconsistent with any details set forth in the

current Capital Budget of the County, such Budget shall be deemed and is hereby amended to the extent inconsistent herewith.

Section 2. It is hereby determined that the maximum estimated cost of the aforesaid class of objects or purposes is \$1,000,000, and that the plan for the financing thereof is by the issuance of the \$1,000,000 bonds of said County authorized to be issued pursuant to this Bond Act.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is fifteen years, pursuant to subdivision four of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Commissioner of Finance, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance, consistent with the provisions of the Local Finance Law.

Section 5. The faith and credit of the County of Westchester, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. To the extent not paid from the assessment of properties assessable for this purpose in the Blind Brook Sanitary Sewer District, or other sources, there shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 6. Such bonds shall be in fully registered form and shall be signed in the name of the County of Westchester, New York, by the manual or facsimile signature of the Commissioner of Finance and a facsimile of the corporate seal shall be imprinted or impressed thereon and may be attested by the manual or facsimile signature of the County Clerk.

Section 7. The powers and duties of advertising such bonds for sale, conducting the sale and awarding the bonds, are hereby delegated to the Commissioner of Finance, who shall advertise such bonds for sale, conduct the sale, and award the bonds in such manner as said Commissioner of Finance shall deem best for the interests of the County; including, but not limited to, the power to sell said bonds to the New York State Environmental Facilities Corporation; provided, however, that in the exercise of these delegated powers, the Commissioner of Finance shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of municipal bonds. The receipt of the Commissioner of Finance shall be a full acquittance to the purchaser of such bonds, who shall not be obliged to see to the application of the purchase money.

The Commissioner of Finance is hereby authorized to enter into such agreements as said Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.

Section 9. The power to issue and sell notes to the New York State Environmental Facilities Corporation pursuant to Section 169.00 of the Local Finance Law is hereby delegated to

the Commissioner of Finance. Such notes shall be of such terms, form and contents as may be prescribed by said Commissioner of Finance consistent with the provisions of the Local Finance Law.

Section 10. The Commissioner of Finance is hereby further authorized, at his or her sole discretion, to execute a project financing and loan agreement, and any other agreements with the New York State Department of Environmental Conservation and/or the New York State Environmental Facilities Corporation, including amendments thereto, and including any instruments (or amendments thereto) in the effectuation thereof, in order to effect the financing or refinancing of the class of objects or purposes described in Section 1 hereof, or a portion thereof, by a bond, and, or note issue of said County in the event of the sale of same to the New York State Environmental Facilities Corporation.

Section 11. The intent of this Bond Act is to give the Commissioner of Finance sufficient authority to execute those applications, agreements, instruments or to do any similar acts necessary to effect the issuance of the aforesaid bonds and, or notes without resorting to further action of this Board of Legislators.

Section 12. All other matters, except as provided herein relating to such bonds, including determining whether to issue such bonds having substantially level or declining annual debt service and all matters related thereto, prescribing whether manual or facsimile signatures shall appear on said bonds, prescribing the method for the recording of ownership of said bonds, appointing the fiscal agent or agents for said bonds, providing for the printing and delivery of said bonds (and if said bonds are to be executed in the name of the County by the facsimile signature of the Commissioner of Finance, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, denominations, maturities and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Commissioner of Finance. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of such bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the fiscal agent, and, accordingly, pursuant to paragraph c of Section

70.00 of the Local Finance Law, no such charges shall be so collected by the fiscal agent. Such bonds shall contain substantially the recital of validity clause provided for in section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by section 52.00 of the Local Finance Law, as the Commissioner of Finance shall determine.

3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 14. This Bond Act shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150 - 2. Other than as specified in this Bond Act, no moneys are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 15.
