Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act ("Bond Act") which, if adopted, would authorize the County of Westchester ("County") to issue bonds in the amount of \$300,000 to finance the following capital project:

SNR85 – Sewer System Rehabilitation New Rochelle Sanitary Sewer District ("SNR85").

The Bond Act, in the amount of \$300,000 would finance the cost of relining of various County-owned sewer lines in the New Rochelle Sanitary Sewer District, including investigation, cleaning, repair and root removal incidental thereto, in furtherance of the Capacity, Management, Operation and Maintenance ("CMOM") Program, including incidental expenses.

The Department of Environmental Facilities ("Department") has advised that adoption of a CMOM program and maintenance of County sewers is required by the United States Environmental Protection Agency.

Design is currently underway and is expected to be completed by the first quarter of 2020. It is estimated that construction will take twelve months to complete and will begin after award and execution of the construction contracts. The design work is being completed by consultants.

It should be noted that your Honorable Board has previously authorized bonding in connection with separable components of SNR85 as indicated in the annexed fact sheet.

The Planning Department has advised that based on its review, the above-referenced capital project has been classified as a "Type II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

Based on the importance of this project to the County, favorable action on the proposed Act is respectfully requested.

Sincerely,

George Latimer
County Executive

The Commissioner of Finance is hereby authorized to enter into such agreements as said Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.
