Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith is an Act which, if approved, would authorize the County of Westchester (the "County") to:

- 1) Execute and submit to the State of New York (the "State") a resource allocation plan (the "Plan"), which will qualify the County for certain State reimbursement through the Office of Children and Family Services ("OCFS") for the program year commencing January 1, 2019 and terminating December 31, 2019 for certain youth services programs and related administrative activities; and
- 2) Enter into inter-municipal agreements ("IMAs") with one or more Westchester County municipalities pursuant to which the municipalities would provide youth services projects eligible for State reimbursement under the Plan for terms commencing January 1, 2019 and terminating December 31, 2019.

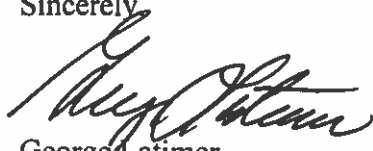

The total aggregate reimbursement to the County under the Plan shall be Nine Hundred Thirty Thousand Eight Hundred Eighty Three (\$930,883.00) Dollars. Pursuant to the Plan, the County will administer funds on behalf of OCFS for the following funding streams: Youth Development Programming and Runaway and Homeless Youth Act Funding. It should be noted that OCFS requires approval by your Honorable Board in order for the County to enter into the Plan.

As part of the Plan, OCFS reserves the right to modify the services or budgets at its discretion or when such modification may be required by the State Comptroller. In addition, OCFS may withhold approval for reimbursement for youth programs included when there is noncompliance with the Plan or rules and regulations of OCFS or if the County does not have a County Child and Family Services Plan approved by OCFS. The County has a County Child and Family Services Plan which was approved by OCFS on June 20, 2019.

The Planning Department has advised that the proposed Plan and IMAs do not constitute an action subject to review under the State Environmental Quality Review Act. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

As the County's participation in this Plan will permit reimbursement by the State for certain youth services programs, I strongly recommend that your Honorable Board adopt the annexed Act.

Sincerely

A handwritten signature in cursive script, appearing to read "George Latimer".

**HONORABLE BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending approval of an Act authorizing the County of Westchester (the "County") to:

- 1) Execute and submit to the State of New York (the "State") a resource allocation plan (the "Plan"), which will qualify the County for certain State reimbursement through the Office of Children and Family Services ("OCFS") for the program year commencing January 1, 2019 and terminating December 31, 2019 for certain youth services programs and related administrative activities; and
- 2) Enter into inter-municipal agreements ("IMAs") with one or more Westchester County municipalities pursuant to which the municipalities would provide youth services projects which would be eligible for State reimbursement under the Plan for terms commencing January 1, 2019 and terminating December 31, 2019.

Your Committee is advised that the total aggregate reimbursement to the County under the Plan shall be Nine Hundred Thirty Thousand Eight Hundred Eighty Three (\$930,883.00) Dollars. Pursuant to the Plan, the County will administer funds on behalf of OCFS for the following funding streams: Youth Development Programming and Runaway and Homeless Youth Act Funding. Your Committee is advised that OCFS requires the approval of this Honorable Board in order for the County to enter into the Plan.

Your Committee is further advised that as part of the Plan, OCFS reserves the right to modify the services or budgets at its discretion or when such modification may be required by the State Comptroller. In addition, OCFS may withhold approval for reimbursement for youth programs included when there is noncompliance with the Plan or rules and regulations of OCFS or if the County does not have a County Child and Family Services Plan approved by OCFS. Your Committee is advised that the County has a County Child and Family Services Plan that was approved by OCFS on June 20, 2019.

The Planning Department has advised that the proposed Plan and IMAs do not constitute an action subject to review under the State Environmental Quality Review Act. Your Committee concurs with this conclusion.

Your Committee is advised that an affirmative vote of a majority of the voting strength of this Honorable Board is required for approval of the attached Act to authorize the County to execute the Plan and submit it to the State, as well as to enter into the IMAs with one or more municipalities located in Westchester County pursuant to which the municipalities will provide youth services projects that will be eligible for State reimbursement under the Plan.

Your Committee believes that the County's participation in the Plan will benefit youth by providing State reimbursement for certain programs. Therefore, your Committee recommends adoption of the proposed Act.

INTERMUNICIPAL AGREEMENT

THIS AGREEMENT, made the ____ day of _____, 20____ by and between

THE COUNTY OF WESTCHESTER, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601, (hereinafter referred to as the "County"),

and

_____, a municipal corporation of the State of New York, having an office and place of business at _____ (hereinafter referred to as the "Municipality").

WHEREAS, the County desires that the Municipality provide a Positive Youth Development Program; and

WHEREAS, the Municipality is willing to provide such a Positive Youth Development Program, upon the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the promises and the covenants and agreements herein contained, the parties hereto agree as follows:

FIRST: The County shall reimburse the Municipality an amount not to exceed _____ (\$_____.00) Dollars, payable quarterly, which the Municipality shall use to provide the _____ Program as more particularly described in Schedule "A" and as budgeted in Schedule "B," both of which are attached hereto and made a part hereof, payable upon full contract execution and approval of the same by the Office of the Westchester County Attorney.

Except as otherwise expressly stated in this Agreement, no payment shall be made by the County to the Municipality for out of pocket expenses or disbursements made in connection with the services rendered or the work to be performed hereunder.

The Municipality shall provide the County with a report to be submitted within thirty (30) days of the expiration of this Agreement which shall set forth in detail the services performed under the Agreement, the activities, progress and accomplishments under the Agreement, the amount of funds expended for each task performed and the extent and manner in which the goals, objectives and

standards established for the Agreement have been met by the Municipality. The above report shall be certified by an officer or director of the Municipality.

The County shall have the right, at its option and at its sole cost and expense, to audit such books and records of the Municipality as are reasonably pertinent to this Agreement to substantiate the basis for payment. The County may withhold payment of funds hereunder for cause found in the course of an audit or because of failure of the Municipality to cooperate with an audit. The County shall, in addition, have the right to audit such books and records subsequent to payment, if such audit is commenced within one (1) year following termination of this Agreement, and to perform random audits during the term of this Agreement. In the event an audit performed by the County reflects overpayment by the County or that monies were not fully expended or that monies were improperly expended, then the Municipality shall reimburse to the County the cost of such audit (if the audit was done by the County or on the County's behalf) and the amount of such overpayment, underpayment or improper payment, within thirty (30) days of notice from the County.

The Municipality further agrees to permit designated employees or agents of the County reasonable on-site inspection of the work being performed by the Consultant under this Agreement, its books, accounts, financial audits and records and agrees to keep records necessary to disclose fully the receipt and disposition of funds received under this agreement. Unless the County shall, in writing, advise the Municipality to the contrary, the Municipality shall retain all financial records related to this Agreement for a period of ten years after the expiration or termination of this Agreement.

In no event shall final payment be made to the Municipality prior to completion of all services, the submission of reports and the approval of same by the County Executive or his duly authorized designee.

SECOND: The Municipality agrees to procure and maintain insurance naming the County as additional insured, as provided and described in Schedule "C," entitled "Standard Insurance Provisions," which is attached hereto and made a part hereof. In addition to, and not in limitation of the insurance provisions contained in Schedule "C," the Municipality agrees:

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the negligence of the County, the Municipality shall indemnify and hold harmless the County, its officers, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments,

fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Municipality or third parties under the direction or control of the Municipality; and

(b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto.

(c) In the event the Municipality does not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the Municipality shall reimburse the County's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

THIRD: The term of this Agreement will commence January 1, 2018 and terminate December 31, 2018 unless terminated earlier as provided herein.

FOURTH: (a) The County reserves the right to cancel this Agreement on Thirty (30) days prior written notice to the Municipality when it deems it to be in its best interests to do so. In such event, the Municipality shall be compensated and the County shall be liable only for payment for services already rendered under this Agreement prior to the effective date of termination at the rates specified in Schedule "B".

In the event of a dispute as to the value of the services rendered by the Municipality prior to the date of termination, it is understood and agreed that the County shall determine the value of such services rendered by the Municipality. Such reasonable and good faith determination shall be accepted by the Municipality as final.

(b) In the event the County determines that there has been a material breach by the Municipality of any of the terms of the Agreement and such breach remains uncured for ten (10) days after service on the Municipality of written notice thereof, the County, in addition to any other right or remedy it might have, may terminate this Agreement and the County shall have the right, power and authority to complete the services provided for in this Agreement, or contract for their completion, and any additional expense or cost of such completion shall be charged to and paid by the Municipality. Notice hereunder shall be effective on the date of receipt.

FIFTH: The Agreement shall not be enforceable unless signed by the parties and approved by the Office of the County Attorney.

SIXTH: The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this Agreement. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Contractor, then the Contractor shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Contractor, then the Contractor shall have the right to terminate this Agreement upon reasonable prior written notice.

SEVENTH: All notices given pursuant to this agreement shall be in writing and effective on mailing. All notices shall be sent by registered or certified mail, return receipt requested and mailed to the following addresses:

To the County: Executive Director – Youth Bureau
112 E. Post Road, 3rd floor
White Plains, New York 10601

with a copy to: County Attorney
Michaelian Office Building, Room 600
148 Martine Avenue
White Plains, New York 10601

to the Municipality: _____

or to such other addresses as may be specified by the parties hereto in writing.

EIGHTH: This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and shall supersede all previous negotiations, comments and writings. It shall not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

NINTH: This Agreement is entered into solely between, and may be enforced only by, the County and the Municipality and shall not be deemed to create any rights in third parties, or to create any obligations of a party to any such third parties.

TENTH: The Municipality shall not delegate any duties or assign any of its rights under this Agreement without the prior express written consent of the County. The Municipality shall not subcontract any part of the Work without the express written consent of the County, subject to any necessary legal approvals. Any purported delegation of duties, assignment of rights or subcontracting of Work under this Agreement without the prior express written consent of the County is void. All subcontracts that have received such prior written consent shall provide that subcontractors are subject to all terms and conditions set forth in this Agreement. It is recognized and understood by the Municipality that for the purposes of this Agreement, all Work performed by a County-approved subcontractor shall be deemed Work performed by the Municipality and the Municipality shall insure that such subcontracted work is subject to the material terms and conditions of this Agreement. All subcontracts for the Work shall expressly reference the subcontractor's duty to comply with the material terms and conditions of this Agreement and shall attach a copy of the County's contract with the Municipality. The Municipality shall obtain a written acknowledgement from the owner and/or chief executive of subcontractor or his/her duly authorized representative that the subcontractor has received a

copy of the County's contract, read it and is familiar with the material terms and conditions thereof. The Municipality shall include provisions in its subcontracts designed to ensure that the Municipality and/or its auditor has the right to examine all relevant books, records, documents or electronic data of the subcontractor necessary to review the subcontractor's compliance with the material terms and conditions of this Agreement.

ELEVENTH: The Contractor expressly agrees that neither it nor any contractor, subcontractor, employee, or any other person acting on its behalf shall discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation, familial status, genetic predisposition or carrier status during the term of or in connection with this Agreement, as those terms may be defined in Chapter 700 of the Laws of Westchester County. The Contractor acknowledges and understands that the County maintains a zero tolerance policy prohibiting all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.

STANDARD INSURANCE PROVISIONS
(Municipality)

1. Prior to commencing work, and throughout the term of the Agreement, the Municipality shall obtain at its own cost and expense the required insurance as delineated below from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better. Municipality shall provide evidence of such insurance to the County of Westchester ("County"), either by providing a copy of policies and/or certificates as may be required and approved by the Director of Risk Management of the County ("Director"). The policies or certificates thereof shall provide that ten (10) days prior to cancellation or material change in the policy, notices of same shall be given to the Director either by overnight mail or personal delivery for all of the following stated insurance policies. All notices shall name the Municipality and identify the Agreement.

If at any time any of the policies required herein shall be or become unsatisfactory to the Director, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Director, the Municipality shall upon notice to that effect from the County, promptly obtain a new policy, and submit the policy or the certificate as requested by the Director to the Office of Risk Management of the County for approval by the Director. Upon failure of the Municipality to furnish, deliver and maintain such insurance, the Agreement, at the election of the County, may be declared suspended, discontinued or terminated.

In the event that claims, for which the County may be liable, in excess of the insured amounts provided herein are filed by reason of Municipality's negligent acts or omissions under the Agreement or by virtue of the provisions of the labor law or other statute or any other reason, the amount of excess of such claims or any portion thereof, may be withheld from payment due or to become due the Municipality until such time as the Municipality shall furnish such additional security covering such claims in form satisfactory to the Director.

In the event of any loss, if the Municipality maintains broader coverage and/or higher limits than the minimums identified herein, the County shall be entitled to the broader coverage and/or higher limits maintained by the Municipality.
