

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the Chairman of the Westchester County Board of Legislators (the “Chairman”) wherein he requests that your Honorable Board authorize the County of Westchester (the “County”) to enter into an inter-municipal agreement (“IMA”) with the Village of Irvington. The Act will authorize the County to enter into an IMA with the Village of Irvington in an amount not to exceed \$3,300, for the period from January 1, 2012 through December 31, 2012. Pursuant the IMA, the Village of Irvington shall provide senior transportation, in connection with its Irvington Senior Citizen Center, for over two hundred (200) seniors registered in its program who utilize a Village-owned bus and van that are operated multiple times weekly. Virtually all senior participants use the bus or van for services or programs, however, there is a core of about fifty (50) seniors who depend on this senior transportation throughout the week for food shopping, doctor appointments and access to the Irvington Senior Citizen Center.

The Planning Department has advised your Committee that this Action is a Type “IP” action under the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR, Part 617.5(c)(20). A copy of the Planning Department’s memorandum is attached hereto for your Honorable Board’s review. Your Committee concurs with this conclusion.

Your Committee has carefully considered this matter and has concluded that it is in the best interest of the County to adopt an Act to authorize the County to enter into the aforementioned IMA. It should be noted that an affirmative votes of a majority of the members of your Honorable Board is required in order to adopt the attached Act. Accordingly, your Committee recommends the annexed proposed Act for adoption.
