

HONORABLE BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee requests the adoption of “AN ACT amending Act No. 116-2018 for the purposes of establishing a standard work day for each elective or appointive office or position.”

To help ensure that elected and appointed officials receive appropriate service credit from the New York State Retirement System, legislation establishing the standard work days for all elected and appointed officials who serve a term of office must be adopted at the first regular meeting held after the first 180 days of taking office. On July 16, 2018, the County Board of Legislators adopted Act No. 116-2018 to accomplish this purpose.

Act No. 116-2018 specifically noted that additional legislation would need to be enacted as a vacancy in the Eleventh Legislative District was filled by a Special Election held on April 24, 2018. This proposed legislation amends Act No. 116-2018 to incorporate the requisite information relating to County Legislator Terry Clements.

Once adopted, the Clerk of the County Board of Legislators must ensure that this Act is posted for at least thirty (30) days on the County’s website. After such posting, the County Board of Legislators hereby authorizes the Commissioner of Human Resources or other appropriate County official to amend the chart solely for the limited purpose of providing the correct New York State Retirement Registration Number and the last four digits of the Social Security Numbers for all of the elected and appointed officials specifically listed in the chart contained in the Act. Thereafter, an affidavit of posting and a certified copy of the legislation must be filed with the Office of the State Comptroller within forty-five (45) days of adoption.

Because the proposed Act will not change “the use, appearance or condition of any natural resource of structure” or otherwise affect the environment with respect to the State Environmental Quality Review Act, this would not constitute an action as defined in section

617.2(b) of 6 N.Y.C.R.R. Part 617. As such your Committee believes that no further environmental review is required.

In accordance with the provisions of the Laws of Westchester County §107.61(2), a vote of not less than a majority of the voting strength of the County Board of Legislators is required to pass this Act.

In light of the aforementioned, this Committee, after careful consideration, recommends adoption of this Act.
